Important: Notice of Weiskopf/Legends Tunnel Closure, Landscape Renovation September 24, 2019

Dear Fairways Homeowners,

As previously communicated, the Fairways Board approved a major landscape enhancement to the East side (Legends) of the Weiskopf/Legends tunnel (Tunnel). The improvement includes a re-landscape of the area with the addition of boulders, trees, new plantings, flowers, lighting and also includes slightly widening the cart path.

You may recall the improvement that was completed three years ago on the West side (Weiskopf) of the Tunnel. The improvements on the East side will be very similar in nature.

Consequently, construction will begin Wednesday, September 25, 2019 and last through October 25, 2019. We ask that you please exercise caution when traveling in these areas within the community.

It is important to note that the Tunnel will be CLOSED to all traffic beginning Monday, September 30th through Friday, October 11th as major rock work and heavy machinery will be present during this time. The area will be marked clearly when the closure occurs.

Golf carts will not be allowed through the golf cart path during this two week period, which coincides with the closure of the golf course for the overseed process. Homeowners should use their vehicles to drive to and from the Club facilities. If a golf cart is needed, you can contact the pro-shop at (760) 564-7101 to set up a reservation.

The purpose of the construction project is to enhance the design and plant material in this area and widen the cart path and open sight lines in order to alleviate the safety concern for golf cart and golf course maintenance traffic exiting from the tunnel onto cross traffic on Muirfield Village.

If you have any questions, please contact the Association's Executive Assistant, Michelle Reese, by email at Michelle.Reese@managementtrust.com or by phone at (760) 862-6334. You can also contact me directly at (760) 862-6335 with any questions regarding this message.

Kind Regards,
