

**PGA WEST FAIRWAYS ASSOCIATION
DELEGATE COMMITTEE VOLUNTEER FORM**

The Association is governed by an elected Board of Directors, who rely on volunteer efforts of the membership to assist with the operation and growth of the community. The Board establishes (and may disband) various resident volunteer committees, (other than the Architectural Review Committee, or Committees created by the CC&Rs). Each Committee has a Charter, which defines the goals and scope in which they can best serve the Board. If you're a legal owner of your home and interested in volunteering for the Delegate Committee, please complete this application. Committee members are appointed and serve a one (1) year term unless sooner removed by the Board.
